

# European Union Savings Tax Directive Distribution of benefit of interest form

Please note that it is **automatically assumed** that interest is split equally between account holders; if this is the case for the account(s) you hold you do not need to complete this form.

For the purposes of the European Union Savings Tax Directive (EUSTD) tax will be calculated depending on who has the benefit of the interest payments and whether or not they reside within the EU. You can tell us who benefits from the interest earned on this account, and to what degree, by completing the details below. Please return this form to the address provided below.

**If you hold joint account(s) with different account holders a separate form must be completed.**
